I. INTRODUCTION

This report provides an analysis of the financial and administrative obligations of the Hiddenbrooke Improvement District No. 1998-1 (the "HID" or "HID No. 1998-1") of the City of Vallejo (the "City"). HID No. 1998-1 is a legally constituted governmental entity established under the provisions of the City of Vallejo Improvement District Financing Code (the "Code"), as amended, and Resolution No. 98-374 N.C. of the City Council adopted on October 6, 1998. HID No. 1998-1 replaces the City of Vallejo's prior financing district, Community Facilities District No. 1988-1, Sky Valley ("CFD No. 1988-1"). The boundaries of HID No. 1998-1 and CFD No. 1988-1, with certain exceptions, are coterminous.

On September 27, 1988, the City Council adopted Resolution No. 88-862 establishing CFD No. 1988-1. An election held that evening authorized CFD No. 1988-1 to levy and collect special taxes for the purpose of servicing bonded indebtedness in an amount not to exceed $38,374,324 to pay for various public facilities (described in Section V). In November 1988, CFD No. 1988-1 issued $23,840,000 in special tax bonds. CFD No. 1988-1 issued a second series of special tax bonds totaling $14,530,000 in February 1992. Collectively, the two special tax bond issues will be referred to in this report as the "CFD Bonds."

On October 6, 1998, the City Council adopted Resolution No. 98-379 N.C. which authorized the issuance and sale of the City of Vallejo Improvement Bonds, Series A (tax exempt), in the aggregate principal amount of $28,085,000 and Improvement Bonds, Series B (federally taxable) in the aggregate principal amount of $11,860,000 (collectively, the Series A and Series B bonds will be referred to in this report as the "District Bonds"). Proceeds from the sale of the District Bonds were used to refund the City's previously issued CFD Bonds, to establish a reserve fund for the District Bonds, and to pay the City's expenses in connection with the issuance of the District Bonds.

On July 27, 2004, the City Council adopted Resolution No. 04-269 N.C. which authorized the purchase in lieu of redemption of the District Bonds. On the same day, the Vallejo Public Financing Authority (the "Authority"), a joint exercise of powers authority established under the provisions of a joint exercise of powers agreement between the City and the Redevelopment Agency of the City of Vallejo, adopted Resolution No. PFA 04-04 which authorized the issuance and sale of the Vallejo Public Financing Authority Local Agency Revenue Bonds (Hiddenbrooke Improvement District), 2004 Series A (the "Bonds") in the aggregate principal amount of $22,400,000. Proceeds from the sale of the Bonds and money from other HID No. 1998-1 sources were used to purchase the City's outstanding District Bonds, in the principal amount of $23,550,000, ("Purchased District Bonds") in lieu of redemption on September 1, 2004. The purchase in lieu of redemption of the Purchased District Bonds constituted a current refunding for purposes of applicable federal tax law, even though the Purchased District Bonds will remain outstanding under the Fiscal Agent Agreement. In addition, bond proceeds were used to establish a reserve fund for the Bonds, and to pay the expenses of the Authority and the City in connection with the issuance of the Bonds. The Bonds are payable solely from revenues, consisting primarily of payments of the debt service on the District Bonds.

HID No. 1998-1 is composed of 1,339 acres, fully incorporating the Hiddenbrooke (formerly known as Sky Valley) development. Residential and commercial growth in this development required basic infrastructure, and funding for these improvements was generated primarily from the sale of the CFD Bonds.

II. PURPOSE OF REPORT

This Improvement Levy Administration Report (the "Report") presents findings from research and financial analysis performed by Goodwin Consulting Group, Inc. to determine the fiscal year 2009-10 special tax levy for HID No. 1998-1. The Report is intended to provide information to interested parties regarding the current financial obligations of the HID, special taxes to be levied in fiscal year 2009-10, and the status of public facilities being funded by the HID. The Report also summarizes development activity as well as other pertinent information (e.g., prepayments and foreclosures) on property within HID No. 1998-1.

The Report is organized into the following sections:

- **Section III** identifies financial obligations of HID No. 1998-1 for fiscal year 2009-10.
- **Section IV** provides a summary of the methodology that is used to apportion the special tax among parcels in the HID.
- **Section V** provides an update of the development activity occurring within HID No. 1998-1, including new subdivision activity.
- **Section VI** provides information regarding facilities to be financed with bond proceeds.
- **Section VII** provides information regarding funds and accounts established for the Bonds.
- **Section VIII** identifies parcels, if any, that have prepaid their special tax obligation.
- **Section IX** summarizes the amount of delinquent special taxes prior fiscal years.
- **Section X** provides information regarding bond foreclosure covenants and foreclosure proceedings, if any.

III. FISCAL YEAR 2009-10 IMPROVEMENT LEVY REQUIREMENT

The methodology employed to calculate and apportion the Improvement Levy is contained in the Rate and Method of Apportionment of Improvement Levy (the "RMA"), which was adopted as an exhibit to the Resolution of Formation of HID No. 1998-1. The maximum annual improvement levy for each parcel in HID No. 1998-1 is set forth in Attachment 1 of the RMA. Parcels for which the improvement levy obligation has been fully or partially prepaid will have a reduced maximum annual improvement levy from that shown in Attachment 1 based on the amount of the prepayment. If any of the assessor's parcel numbers identified in Attachment 1 becomes invalid in future fiscal years, or if any parcels are subdivided and/or combined to form new parcels, the maximum annual improvement levy assigned to each parcel as identified in Attachment 1 of the RMA will continue to apply, although the total amount may be reallocated to subsequent parcels. *[Capitalized terms are defined in the Rate and Method of Apportionment of Improvement Levy, which is contained in Appendix C of this Report.]*

The calculation of the Improvement Levy Requirement for fiscal year 2009-10 is set forth in Appendix A of this report. Based on financial obligations of HID No. 1998-1 in the upcoming fiscal year, the Improvement Levy Requirement for fiscal year 2009-10 is $2,033,492. This amount is the revised maximum annual improvement levy for HID No. 1998-1. The original maximum annual improvement levy was $3,650,000 (as shown in Attachment 1 of the RMA); however, due to prepayments on bond obligations by homebuilders and homebuyers, the maximum annual improvement levy has been reduced by approximately $1,616,508 from its original amount.

IV. FISCAL YEAR 2009-10 IMPROVEMENT LEVY

The RMA dictates two separate scenarios for apportioning the improvement levy in HID No. 1998-1. These two scenarios are outlined below.

1. Prior to Buildout

The administrator shall impose the maximum annual improvement levy on all parcels of taxable property within HID No. 1998-1

2. After Buildout

Step 1: Determine the Improvement Levy Requirement to be collected from taxable property in HID No. 1998-1 in that fiscal year.

Step 2: Identify the maximum annual improvement levy assigned to each assessor's parcel and determine the sum of the total maximum annual improvement levy for all assessor's parcels of taxable property within HID No. 1998-1 in that fiscal year.

Step 3: Using the information in Step 2, divide the maximum annual improvement levy for each assessor's parcel by the total maximum annual improvement levy that can be collected within the entire HID No. 1998-1 to determine an "Allocation Factor" for each parcel.

Step 4: Multiply the Allocation Factor for each parcel determined in Step 3 by the Improvement Levy Requirement in Step 1 to calculate each assessor's parcel share of the Improvement Levy Requirement for the fiscal year.

Step 5: If, in the Council's sole discretion, the Council approves the application of revenues from another source to offset the annual improvement levy against one or more parcels within HID No. 1998-1, the administrator shall determine the amount of revenue available from such other source for the fiscal year and shall reduce the amount calculated in Step 4 for the parcel or parcels by the amount of such available revenues. The difference shall be levied as the annual improvement levy for the parcel or parcels for the fiscal year.

For fiscal year 2009-10, the City has determined that buildout of HID No. 1998-1 has not occurred. Therefore, the maximum annual improvement levy was applied on the 1,132 parcels which will generate a total of $2,033,492 for fiscal year 2009-10.

V. DEVELOPMENT UPDATE

During the past fiscal year, no new residential building permits were issued for construction in HID No. 1998-1. The total number of residential building permits issued in the HID No. 1998-1, as of June 30, 2009, is 1,028. At build out, approximately 1,144 residential units are expected in HID No. 1998-1.

VI. FACILITIES TO BE FINANCED WITH BOND PROCEEDS

The Resolution that established CFD No. 1988-1 identified the following public facilities authorized to be financed by CFD No. 1988-1:

- Grading and street Improvements
- Storm drainage and sewer system
- Water system
- Underground gas, electric, and transmission
- Landscaping
- Public golf course
- Fire protection facilities and equipment
- Freeway and public access improvements
- Regional park acquisition

VII. HID FUNDS

Description of Funds and Accounts

The Indenture of Trust (the "Indenture") establishes several funds for HID No. 1998-1, which are described briefly below:

1. **Program Fund:** On the bond closing date, all money in this fund will be withdrawn and applied to such amount pursuant to and in accordance with the Assignment Agreement to purchase the District Bonds in lieu of the redemption thereof.

2. **Redemption Account:** Monies in the Redemption Account shall be solely used for the purpose of redeeming the Bonds in the manner set forth in the optional and special mandatory redemption provisions of the Indenture.

3. **Surplus Account:** All deposits into the Surplus Account shall be applied to the following purposes in the following order of priority:

    i) To pay or reimburse the payment of costs and expenses incurred by the City or the Authority to administer the Bonds and the District Bonds.
    ii) To deposit money in the Delinquency Maintenance Fund an amount necessary to bring it to the Delinquency Maintenance Fund Requirement so long as it is not closed.
    iii) If the Delinquency Maintenance Fund is closed, then upon receipt by the Trustee of a Written Certificate of Authority, to pay costs of public capital improvements that the Authority determines are of benefit to HID No. 1998-1.
    iv) To redeem District Bonds or to reduce the Improvement Levies which are to be levied in the current or succeeding fiscal year.

4. **Costs of Issuance Fund:** Monies in the Cost of Issuance Fund will be disbursed for the payment or reimbursement of costs associated with the issuance of the Bonds. The Costs of Issuance Fund will be closed after 90 days from the date of delivery of the Bonds and any remaining amounts will be transferred to the Administrative Expense Fund. As of June 30, 2009, the Costs of Issuance Fund has been closed.

5. **Administrative Expense Fund:** Maintained by the City, the Administrative Fund holds Improvement Levy revenues that are used to defray the City's cost of administering HID No. 1998-1 each fiscal year. Commencing with the last day of each fiscal year, the City's Finance Director will withdraw any amount then remaining in the Administrative Expense Fund that has not been allocated to pay administrative or maintenance expenses incurred but not yet paid, and which are not otherwise encumbered, and transfer such amounts to the Improvement Levy Fund.

6. **Bond Fund:** The principal (including mandatory sinking payment redemption) and interest payments due on the Bonds each fiscal year are paid by the City from proceeds

on deposit in the Bond Fund. Monies in the Bond Fund will be invested and interest and profits earned will be retained in the Bond Fund to be used for purposes of such fund.

7. **Reserve Fund:** To further secure bond payments, the City maintains a Reserve Fund equal to the Reserve Requirement. The Reserve Requirement means, as of any date of calculation, an amount equal to four percent (4%) of the then outstanding principal amount of the Bonds. The Reserve Requirement as of the date of this report is $719,800.

8. **Improvement Levy Fund:** This fund is maintained by the City's Finance Director. As soon as practical, following receipt, all Improvement Levy revenue will be deposited into this fund. Monies in the Improvement Levy Fund will be held in trust by the City for the benefit of the City and bondholders and will be dispersed as follows in order of priority:

   i) to the Administrative Expense Fund, that portion of the Improvement Levy that was levied to cover administrative expenses.
   ii) to the Bond Fund, up to the amount prescribed in the Indenture
   iii) to the Delinquency Maintenance Fund, if not closed
   iv) to the Surplus Account

9. **Delinquency Maintenance Fund:** All deposits in the Delinquency Maintenance Fund shall be held for the benefit of the City and bondholders and will be disbursed as described in the Indenture. The required balance for the fund is $1 million.

VIII. PREPAYMENTS

Property owners in HID No. 1998-1 have the option of prepaying all or a portion of their improvement levy obligation through a lump sum payment. An owner who chooses to partially prepay the improvement levy obligation will reduce the maximum annual amount of the improvement levy assigned to his or her parcel in future years. The methodology used to determine the prepayment amount is contained in the RMA.

During the prior fiscal year, owners of five parcels had made prepayments to permanently satisfy the annual improvement levy obligations on their properties. All told, as of August 1, 2009, 861 properties have partially or fully prepaid their HID No. 1998-1 improvement levy obligation. As previously discussed, these prepayments have reduced the Maximum Annual Improvement Levy from $3,650,000 to $2,033,492 for fiscal year 2009-10.

IX. DELINQUENCIES

As of September 1, 2009, the Solano County Tax Collector's Office reports the following delinquency amounts for HID No. 1998-1:

Hiddenbrooke Improvement District No. 1998-1
Delinquencies as of September 1, 2009

Fiscal Year	Parcels Delinquent	Delinquent Amount	CFD Tax Levied	Percent Delinquent
2004-05	1	$1,500	$2,272,835	0.07%
2005-06	2	$2,300	$2,186,736	0.11%
2006-07	11	$21,737	$2,145,494	1.01%
2007-08	37	$66,205	$2,085,085	3.18%
2008-09	85	$139,099	$2,047,590	6.79%

Appendix D shows the improvement levy delinquency data for all prior fiscal years. The total outstanding delinquent amount for all fiscal years combined is $230,840.

X. FORECLOSURE BOND COVENANTS

Pursuant to the Code, if any delinquency occurs in the payment of the Improvement Levy, the City may order the institution of a Superior Court action to foreclose the lien within specified time limits. In such an action, the real property subject to the unpaid amount may be sold at a judicial foreclosure sale.

While judicial foreclosure is not mandatory, the City has agreed in the Fiscal Agent Agreement that on or about February 15 and June 15 of each year, the Finance Director will compare the amount of Improvement Levies previously levied in HID No. 1998-1 to the amount of Improvement Levy revenues received by the City, and if delinquencies have occurred, proceed as follows:

(i) Individual Delinquencies. If the Finance Director determines as of any such February 15 or June 15 that any single parcel subject to the Improvement Levy in HID No. 1998-1 is delinquent in the payment of Improvement Levies in the aggregate amount of $4,000 or more, then the Finance Director shall send or cause to be sent a notice of delinquency (and a demand for immediate payment thereof) to the property owner within 45 days of such February 15 or June 15, as applicable, determination date, and (if the delinquency remains uncured) foreclosure proceedings shall be commenced by the City within 90 days of such February 15 or June 15, as applicable, determination date. Notwithstanding the foregoing, the Finance Director may defer such action if the amount in the Reserve Fund is at least equal to the Reserve Requirement.

(ii) Aggregate Delinquencies. If the Finance Director determines as of any such February 15 or June 15 that the total amount of delinquent Improvement Levies for the prior fiscal year for the entire HID No. 1998-1 (including the total of delinquencies under subsection (i) above), exceeds 4% of the total Improvement Levies due and payable for the prior fiscal year, the Finance Director shall notify or cause to be notified property owners who are then delinquent in the payment of Improvement Levies (and demand immediate payment of the delinquency) within 45 days of such February 15 or June 15, as applicable, determination date, and the City shall commence foreclosure proceedings within 90 days of such February 15 or June 15, as applicable, determination date against each parcel of land in HID No. 1998-1 with an Improvement Levy delinquency.

No foreclosure actions have commenced with respect to delinquent parcels in HID No. 1998-1. Because the HID No. 1998-1 participates in the County of Solano's Teeter Plan, the entire $2,047,590 Improvement Levy for fiscal year 2008-09 has been remitted to the City.

EXHIBIT B

HIDDENBROOKE IMPROVEMENT DISTRICT NO. 1998-1
OF THE CITY OF VALLEJO

RATE AND METHOD OF APPORTIONMENT OF IMPROVEMENT LEVY

An improvement levy applicable to each Assessor's Parcel in Hiddenbrooke Improvement District No. 1998-1 of the City of Vallejo (herein "HID No. 1998-1") shall be levied and collected according to the tax liability determined by the City Council of the City of Vallejo or its designee, through the application of the appropriate amount or rate for Taxable Property, as described below. All of the property in HID No. 1998-1, unless exempted by law or by the provisions of Section F below, shall be taxed for the purposes, to the extent, and in the manner herein provided.

A. DEFINITIONS

The terms hereinafter set forth have the following meanings:

"Acre or Acreage" means the land area of an Assessor's Parcel as shown on an Assessor's Parcel Map, or if the land area is not shown on an Assessor's Parcel Map, the land area shown on the applicable Final Map, parcel map, or other recorded County parcel map.

"Administrative Expenses" means any or all of the following: the fees and expenses of any fiscal agent or trustee (including any fees or expenses of its counsel) employed in connection with any Bonds of HID No. 1998-1, and the expenses of the City in carrying out its duties for such Bonds, including, but not limited to, the levying and collection of the Improvement Levy, the fees and expenses of its counsel, charges levied by the County Auditor's Office, Tax Collector's Office, and/or Treasurer's Office, amounts needed to pay rebate to the federal government with respect to any of such bonds, costs associated with complying with continuing disclosure requirements, and all other costs and expenses of the City in any way related to the establishment or administration of HID No. 1998-1.

"Administrator" shall mean the person or firm designated by the City to administer the Improvement Levy according to this Rate and Method of Apportionment of Improvement Levy.

"Annual Improvement Levy" means an amount levied in any Fiscal Year to pay the Improvement Levy Requirement.

"Assessor's Parcel" or **"Parcel"** means a lot or parcel shown on an Assessor's Parcel Map with an assigned Assessor's Parcel number.

"Assessor's Parcel Map" means an official map of the County Assessor of the County of Solano designating parcels by Assessor's Parcel Number.

"Bonds" means any bonds or other "Debt" (as defined in Section 14.44.140D of the Code), whether in one or more series, issued by HID No. 1998-1 under the Code.

"Buildout" means that the City has made one or both of the following determinations: (i) all of the land uses that can be built within the HID have been built, or (ii) sufficient development has occurred so that, if Parcels of Taxable Property that have not yet been developed are determined in the City's sole discretion to be undevelopable, the Annual Improvement Levy on other Parcels can be levied at a rate lower than the Maximum Annual Improvement Levy and revenues will be sufficient to meet debt service obligations and pay Administrative Expenses.

"City" means the City of Vallejo.

"Code" means the City of Vallejo Improvement District Financing Code.

"Commercial Property" means any Taxable Property within the boundaries of HID No. 1998-1 that is used for a land use other than Hotel, SF1 Property, SF2 Property or Single Family Attached Property, as defined herein.

"Council" means the City Council of the City of Vallejo, acting as the legislative body of HID No. 1998-1.

"Equivalent Dwelling Unit Factor" means the numerical factor assigned to each Land Use Class in Section D below for purposes of apportioning the Improvement Levy.

"Final Map" means a final map, or portion thereof, approved by the City pursuant to the Subdivision Map Act (California Government Code Section 66410 *et seq.*) that subdivides a Parcel into Subsequent Parcels, as defined below.

"Fiscal Year" means the period starting July 1 and ending on the following June 30.

"Golf Course" means any property within the Specific Plan that is used as a golf course, including but not limited to, a driving range and clubhouse.

"Hotel" means a structure or structures that includes Hotel Rooms and related facilities and that is either operated for the accommodation of transient guests (including any hotel as defined in the California Civil Code), or is operated as a condominium hotel in accordance with the Specific Plan.

"Hotel Room" means each individual condominium unit or room within a Hotel designed to provide accommodations for transient guests or other occupants of the Hotel.

"Improvement Levy Obligation" means the obligation of an Assessor's Parcel in HID No. 1998-1 to pay an Annual Improvement Levy pursuant to this Rate and Method of Apportionment of Improvement Levy.

"Improvement Levy Requirement" means the amount necessary in any Fiscal Year (i) to pay principal and interest on Bonds due in the calendar year which begins in such Fiscal Year, (ii) to create or replenish reserve funds to the extent such replenishment is not needed as a result of delinquencies in the payment of the Annual Improvement Levy from Parcels in the HID, (iii) to pay Administrative Expenses of the HID, and (iv) to pay construction expenses to be funded directly from Improvement Levy proceeds. The Improvement Levy Requirement may be reduced in any Fiscal Year by interest earnings on HID No. 1998-1 funds and accounts, proceeds from the collection of penalties associated with delinquent Annual Improvement Levies, and any other source of revenue that is available in any Fiscal Year to be applied against the Improvement Levy Requirement. The Improvement Levy Requirement may be reduced in any Fiscal Year by taking into account revenues available from one or more of the following sources: (i) interest earnings on or surplus balances in the bond reserve fund or other HID funds and accounts that are available to apply against debt service pursuant to the bond indenture, bond resolution, or other legal document that sets forth these terms, and (ii) any other revenues accrued to the HID as determined by the City.

"Improvement Levy Unit" means an individual residential unit, Hotel Room, or Acre, as appropriate for each Land Use Class as shown in Table 1 in Section D below.

"Land Use Class" means any of the individual land use categories identified in Table 1 of Section D below.

"Maximum Annual Improvement Levy" means the maximum amount, determined in accordance with Section C, that can be levied in any Fiscal Year.

"Public Property" means any property within the boundaries of HID No. 1998-1 that is owned by the federal government, State of California or other local governments or public agencies.

"SF1 Property" means any Parcel within HID No. 1998-1 on which a Single Family Detached residential unit which is <u>not</u> a Zero Lot Line Unit has been, or is expected to be, constructed based on the City's determination after review of Final Maps, the Specific Plan, or other documents.

"SF1, Adj. Property" means Parcels of SF1 Property which, at the time the CFD was formed, were anticipated to be combined with other Parcels and resubdivided resulting in a lower overall density than if each Parcel were developed as SF1 property. The EDU for such Parcels have been adjusted to account for the reduced density.

"SF2 Property" means any Parcel within HID No. 1998-1 on which a Single Family Detached residential unit which <u>is</u> a Zero Lot Line Unit has been, or is expected to be, constructed based on the City's determination after review of Final Maps, the Specific Plan, or other documents.

"Single Family Attached Property" means any Parcel within HID No. 1998-1 on which a residential structure consisting of two or more residential units that share common walls has been, or is expected to be, constructed based on the City's determination after review of Final Maps, the Specific Plan, or other documents.

"Single Family Detached" means a residential structure consisting of only one residential unit.

"Specific Plan" means the Hiddenbrooke Specific Plan adopted by the Council on September 15, 1987, as amended September 26, 1995.

"Subdivided Lot" means an individual numbered lot which, after recordation of a Final Map, is in its final configuration and for which a building permit may be issued. Subdivided Lots shall not include any Assessor's Parcels that are not individual lots for which a building permit may be issued, including Assessor's Parcels that are designated as a remainder parcel.

"Subsequent Parcel" means an Assessor's Parcel of Taxable Property created by the subdivision of another Assessor's Parcel within HID No. 1998-1.

"Taxable Property" means all of the Assessor's Parcels within the boundaries of HID No. 1998-1 which are not exempt from the Improvement Levy pursuant to law or Section F below.

B. DETERMINATION OF TAXABLE PARCELS

On July 1 of each Fiscal Year, the Administrator shall determine whether the Assessor's Parcel numbers identified in Attachment 1 of this Rate and Method of Apportionment are valid Parcel numbers for the Fiscal Year. If any Parcel numbers are no longer valid, the Administrator shall determine the new Parcel number or numbers that are in effect for the Fiscal Year. To the extent a Parcel or Parcels are subdivided, consolidated or otherwise reconfigured, the Improvement Levy obligation set forth in Attachment 1 shall be reallocated to the new Assessor's Parcels pursuant to Section D.1 below until the combined Maximum Annual Improvement Levy that can be collected from the new Parcels is equal to the Maximum Annual Improvement Levy set forth below for the original Parcel or Parcels. At no time shall a reconfiguration of any Assessor's Parcel in HID No. 1998-1 result in a reduction of the total Maximum Annual Improvement Levy within the HID.

The Administrator shall be required to maintain, and annual update, a list of valid Assessor Parcel numbers in the HID, along with the Acreage and corresponding Maximum Annual Improvement Levy for each Parcel.

C. MAXIMUM ANNUAL IMPROVEMENT LEVY

The Maximum Annual Improvement Levy applicable to each Assessor's Parcel Number in HID No. 1998-1 that was valid as of Fiscal Year 1998-99 is set forth in Attachment 1. If any of the Assessor's Parcel numbers identified in Attachment 1 become invalid in future Fiscal Years, or if the Parcels are subdivided and/or combined to form new Parcels, the Maximum Annual Improvement Levy assigned to each Parcel as identified in Attachment 1 shall continue to apply, although the total amount may be reallocated to Subsequent Parcels pursuant to Section D below.

D. REALLOCATION OF THE MAXIMUM ANNUAL IMPROVEMENT LEVY

1. Reallocation Upon Subdivision or Reconfiguration of Parcels

If a Parcel identified in Attachment 1 subdivides in future Fiscal Years, the Maximum Annual Improvement Levy assigned to the Parcel shall be reallocated to all Subsequent Parcels created by the subdivision. The City shall determine which Land Use Classes are expected within the area being subdivided based on reference to the Specific Plan, review of tentative maps, and discussions with the property owner(s). Prior to recordation of the Final Map, the Administrator shall apply the following steps to apportion the Maximum Annual Improvement Levy to each of the Subsequent Parcels:

Step 1: For the area within the Final Map as a whole and separately for each Subsequent Parcel that will be created upon recordation of the Final Map, determine which Land Use Classes will be built and how many Improvement Levy Units are expected within each Land Use Class.

Step 2: For the entire area within the Final Map, multiply the number of Improvement Levy Units expected within each Land Use Class by the appropriate Equivalent Dwelling Unit Factor from Table 1 below and sum the EDUs for all Land Use Classes represented within the area being subdivided.

TABLE 1
LAND USE CLASSES AND EQUIVALENT DWELLING UNIT FACTORS

Land Use Class	*Improvement Levy Unit*	*EDU Factor*
SF1 Property	Residential Unit	1.00
SF1, Adj. Property	Residential Unit	0.69
SF2 Property	Residential Unit	0.69
Single Family Attached Property	Residential Unit	0.58
Hotel	Hotel Room	0.15
Commercial	Acre	2.00

For example, if a Final Map anticipates development of 20 SF1 units and 40 Hotel Rooms, the calculation would be as follows:

20 SF1 Units * EDU Factor of 1.00 =	20 EDUs
40 Hotel Rooms * EDU Factor of 0.15 =	6 EDUs
Total EDUs in Subdivided Area =	**26 EDUs**

Step 3: Divide the Maximum Annual Improvement Levy that had been assigned to the area within the Final Map prior to subdivision by the number of EDUs calculated in Step 2 to determine the *"Improvement Levy per EDU"*.

Step 4: Using the information from Step 1, determine the number of EDUs for each Subsequent Parcel created by recordation of the Final Map.

Step 5: Multiply the Improvement Levy per EDU determined in Step 3 by the number of EDUs on each Subsequent Parcel identified in Step 4 to determine the Maximum Annual Improvement Levy for each Subsequent Parcel.

Once a Maximum Annual Improvement Levy has been assigned to a Subdivided Lot, the Maximum Annual Improvement Levy assigned to that Subdivided Lot shall never be reduced regardless of changes in land use on the Parcel in future years.

2. Reallocation Upon Changes in Land Use

If the expected Land Use Class, or the expected number of Improvement Levy Units, are shifted from one or more Parcels within HID No. 1998-1 to one or more other Parcels within HID No. 1998-1, **and neither Parcel is already a Subdivided Lot,** the City may, in its sole discretion, allow a transfer of all or a portion of the Maximum Annual Improvement Levy from one Parcel to another if ***both*** of the following conditions are met:

(i) After the transfer of the Maximum Annual Improvement Levy from one Parcel to another, the total Maximum Annual Improvement Levy that can be collected within the HID is equal to the amount that could have been collected prior to the shift; and

(ii) The record owners of all Parcels affected by the transfer provide written notice to the City stating their approval of the transfer.

If such a transfer is approved, the Administrator shall update the then current version of Attachment 1 and identify the new Maximum Annual Improvement Levy that applies to each Parcel.

E. METHOD OF LEVY AND COLLECTION OF THE IMPROVEMENT LEVY

Commencing with Fiscal Year 1998-99 and for each following Fiscal Year, the City shall determine whether Buildout (as defined in Section A) has occurred within the HID, and the Administrator shall levy the Annual Improvement Levy within HID No. 1998-1 accordingly:

1. Prior to Buildout

The Administrator shall levy the Maximum Annual Improvement Levy on all Parcels of Taxable Property within the HID.

2. After Buildout

The Administrator shall apply the following steps to calculate the Annual Improvement Levy for each Parcel within HID No. 1998-1:

Step 1: Determine the Improvement Levy Requirement to be collected from Taxable Property in HID No. 1998-1 in that Fiscal Year.

Step 2: Identify the Maximum Annual Improvement Levy assigned to each Assessor's Parcel and determine the sum total Maximum Annual Improvement Levy for all Assessor's Parcels of Taxable Property within the HID in that Fiscal Year.

Step 3: Using the information from Step 2, divide the Maximum Annual Improvement Levy for each Assessor's Parcel by the total Maximum Annual Improvement Levy that can be collected within the entire HID to determine an *"Allocation Factor"* for each Parcel.

Step 4: Multiply the Allocation Factor for each Parcel determined in Step 3 by the Improvement Levy Requirement from Step 1 to calculate each Assessor's Parcel share of the Improvement Levy Requirement for the Fiscal Year.

Step 5: If, in the Council's sole discretion, the Council approves the application of revenues from another source to offset the Annual Improvement Levy against one or more Parcels within HID No. 1998-1, the Administrator shall determine the amount of revenue available from such other source for the Fiscal Year and shall reduce the amount calculated in Step 4 for the Parcel or Parcels by the amount of such available revenues. The difference shall be levied as the Annual Improvement Levy for the Parcel or Parcels for the Fiscal Year.

F. EXEMPTIONS

Notwithstanding any other provision of this Rate and Method of Apportionment of Improvement Levy, no Annual Improvement Levy shall be levied on Public Property, except as otherwise provided in Section 14.44.150 of the Code.

G. PREPAYMENT OF SPECIAL TAX

The following definitions apply to this Section G:

"**Outstanding Bonds**" means all Previously Issued Bonds which remain outstanding.

"**Previously Issued Bonds**" means all Bonds that have been issued by HID No. 1998-1 prior to the date of prepayment.

1. Full Prepayment

The Improvement Levy Obligation applicable to an Assessor's Parcel in HID No. 1998-1 may be prepaid and the Improvement Levy Obligation permanently satisfied as described herein, provided that a prepayment may be made only if there are no delinquent Annual Improvement Levies with respect to such Assessor's Parcel at the time of prepayment. An owner of an Assessor's Parcel intending to prepay the Improvement Levy Obligation shall provide the City with written notice of intent to prepay. Within 30 days of receipt of such written notice, the City or its designee shall notify such owner of the prepayment amount for such Assessor's Parcel. Prepayment must be made not less than 60 days prior to any redemption date for Bonds to be redeemed with the proceeds of such prepaid Improvement Levy Obligation.

If the prepayment is received before July 15 of a Fiscal Year, no Annual Improvement Levy shall be levied against the Parcel in that Fiscal Year, and the Prepayment Amount (as calculated below) shall include the Parcel's pro-rata share of the Bond principal being retired by proceeds of the levy being prepared in that Fiscal Year. If the prepayment is received after July 15 of any Fiscal Year, an Annual Improvement Levy shall be levied against the Parcel in that Fiscal Year, and the Prepayment Amount shall not include the Parcel's pro-rata share of the Bond principal being retired from proceeds of the levy in that Fiscal Year.

The Prepayment Amount shall be calculated as follows: (capitalized terms defined below):

Bond Redemption Amount	
plus	Redemption Premium
plus	Defeasance
plus	Administrative Fees and Expenses
less	Reserve Fund Credit
equals	Prepayment Amount

As of the proposed date of prepayment, the Prepayment Amount for an Assessor's Parcel shall be determined by application of the following steps:

Step 1: Identify the Maximum Annual Improvement Levy that could be levied against the Assessor's Parcel in the Fiscal Year in which prepayment would be received by the City.

Step 2: Divide the Maximum Annual Improvement Levy computed pursuant to Step 1 for such Assessor's Parcel by the total Maximum Annual Improvement Levy that can be collected within the entire HID in the Fiscal Year in which prepayment would be received by the City.

Step 3: Multiply the quotient computed in Step 2 by the Outstanding Bonds to compute the amount of Outstanding Bonds to be retired and prepaid (*the "**Bond Redemption Amount**"*).

Step 4: Multiply the Bond Redemption Amount computed pursuant to Step 3 by the applicable redemption premium, if any, on the Outstanding Bonds to be redeemed (*the "**Redemption Premium**"*).

Step 5: Compute the amount needed to pay interest on the Bond Redemption Amount from the last date on which interest was paid on the Outstanding Bonds until the earliest redemption date for the Outstanding Bonds.

Step 6: Compute the amount the City or its designee reasonably expects to derive from the reinvestment of the Bond Redemption Amount plus the Redemption Premium until the redemption date for the Outstanding Bonds that the City or its designee expects to redeem with the prepayment.

Step 7: Take the amount computed pursuant to Step 5 and subtract the amount computed pursuant to Step 6 (*the "**Defeasance**"*).

Step 8: The administrative fees and expenses of HID No. 1998-1 are as calculated by the City and include the costs of computing the prepayment, the costs of redeeming Bonds, and the costs of recording any notices to evidence the prepayment and the redemption (*the "**Administrative Fees and Expenses**"*).

Step 9: A reserve fund credit shall be calculated as a reduction in the applicable reserve fund for the Outstanding Bonds to be redeemed pursuant to the prepayment (the "***Reserve Fund Credit***") and shall be calculated by multiplying the reserve fund for the Outstanding Bonds by the quotient computed in Step 2 above..

Step 10: The Improvement Levy Obligation prepayment is equal to the sum of the amounts computed pursuant to Steps 3, 4, 7, and 8, less the amount computed pursuant to Step 9 (the "***Prepayment Amount***").

2. **Partial Prepayment**

As an alternative to prepaying the full Improvement Levy Obligation assigned to a Parcel, an owner may elect to prepay a portion of the obligation and have the Maximum Annual Improvement Levy assigned to the Parcel reduced in future Fiscal Years. An owner of an Assessor's Parcel intending to prepay a portion of the Improvement Levy Obligation shall provide the City with written notice of this intent; this notice shall identify the current Maximum Annual Improvement Levy assigned to the Parcel and the reduced Maximum Annual Improvement Levy the owner would like to have assigned to the Parcel after the partial prepayment is received. Within 30 days of receipt of such written notice, the City or its designee shall notify such owner of the prepayment amount for such Assessor's Parcel. The partial prepayment must be made not less than 60 days prior to any redemption date for Bonds to be redeemed with the proceeds of such prepaid Improvement Levy Obligation.

If the prepayment is received before July 15 of a Fiscal Year, the reduced Maximum Annual Improvement Levy shall apply for purposes of calculating the Annual Improvement Levy against the Parcel in that Fiscal Year, and the Prepayment Amount shall include the Parcel's pro-rata share of the Bond principal being retired by proceeds of the levy being prepared in that Fiscal Year. If the prepayment is received after July 15 of any Fiscal Year, the full Maximum Annual Improvement Levy shall apply for purposes of calculating the Annual Improvement Levy against the Parcel in that Fiscal Year, and the Prepayment Amount shall not include the Parcel's pro-rata share of the Bond principal being retired from proceeds of the levy in that Fiscal Year.

The Prepayment Amount shall be calculated by applying Steps 1 through 10 in Section G.1 above, except that the amount used in Step 1 shall be equal to the amount by which the owner of the Parcel would like to reduce the Maximum Annual Improvement Levy in future Fiscal Years. For example, if the owner wants to reduce the Maximum Annual Improvement Levy assigned to the Parcel from $3,000 per Fiscal Year to $2,000 per Fiscal Year, the amount used in Step 1 shall be $1,000 ($3,000 - $2,000 = $1,000).

H. INTERPRETATION OF RATE AND METHOD OF APPORTIONMENT

The Council reserves the right to make minor administrative and technical changes to this document that do not materially affect the rate and method of apportioning the Maximum Annual Improvement Levy. In addition, the interpretation and application of any section of this document shall be left to the Council's discretion.

I. MANNER AND DURATION OF IMPROVEMENT LEVY

The Annual Improvement Levy shall be collected in the same manner and at the same time as ordinary ad valorem property taxes, provided, however, that prepayments are permitted as set forth in Section G above and provided further that the City may directly bill the Annual Improvement Levy, may collect the Annual Improvement Levy at a different time or in a different manner if needed to meet the financial obligations of HID No. 1998-1, and may collect delinquent Annual Improvement Levies through foreclosure or other available methods.

An Annual Improvement Levy shall be levied and collected within HID No. 1998-1 until the Bonds have been fully repaid; however, in no event shall an Annual Improvement Levy be levied after Fiscal Year 2030-2031.
