

Information for Renters

Renters, like owners, must comply with the community's adopted CC&Rs. All renters should receive a copy of the CC&Rs from the owner and make sure to read them. For a complete list or additional information our CC&Rs and how they are enforced, please go to <https://hiddenbrookeonline.org/ccrs/>.

- ✓ All CC&R violation notices are sent to the physical address as well as to the owner. It is the owner's responsibility to ensure any violations are corrected, including any actions or violations due to their tenants. However, you as a tenant, can avoid violation notices by knowing the CC&Rs and avoiding violation notices. Uncorrected violations will lead to fines for the owner.
